8 **The Get Outside Bill**

9
10 An act relating to providing more outdoor amenities to the students of USAO.

11
12 **BE IT ENACTED BY THE STUDENT ASSOCIATION SENATE OF THE UNIVERSITY**
13 **OF SCIENCE AND ARTS OF OKLAHOMA:**

14
15 SECTION 1: This act shall be known and maybe be cited as The Get Outside Act.

16
17 SECTION 2: Multiple studies have proven that getting outside has significant health benefits. It
18 lowers stress, gives a boost in energy, provides Vitamin D, and naturally boosts
19 endorphin levels and dopamine production. Students have also reported wanting
20 more outdoor amenities to aid them in being able to enjoy nature comfortably.

21
22 SECTION 3: The Student Government Association will buy 3 hammocks and 3 suspension
23 systems from Eagles Nest Outfitters. They will be placed in Student Services for
24 students to be able to check them out, and students will leave their IDs until they
25 return the hammocks. The Student Government Association will purchase these
26 hammocks. The approximate cost is \$80.00 per hammock and \$40 per suspension
27 system. The total cost should be around \$400. The funds to pay for this bill will
28 come from the general funds. A video is pending with instructions on how to set
29 up the hammocks and additional paper instructions will be distributed when
30 students check out the hammocks.

31
32 SECTION 4: This brand of hammock is environmental conscious, and they have specifically
33 designed their hammocks not to hurt the trees. They are cost effective. They also
34 allow the students where to decide to set them up as opposed to a stationary
35 hammock set up.

36
37 SECTION 6: Copies of this act shall be distributed to the following:

38 All current members of the USAO Student Government Association (SGA)
39 Senate, all current members of the SGA Executive Council, all current members
40 of the SGA Supreme Court, and all current advisors of the SGA.

46 SECTION 7: Following passage, ratification shall take place in accordance with
