To-Go Box Policy Resolution

WHEREAS: The Student Association Senate is the representative body for the students of the University of Science and Arts of Oklahoma and the unified voice that affirms students' concerns; and,

WHEREAS: The cafeteria has recently implemented a new policy that students eating meals to-go must have a Sodexo worker fill the box for them and regulate the amount of food they can have; and,

WHEREAS: Students getting meals to-go pay just as much for their meal plans as those who in the cafeteria; and,

WHEREAS: The cafeteria is advertised as an "all you can eat" service and students who do not have the time to eat in the cafeteria have just as much right to that statement as everyone else; and,

WHEREAS: Not allowing students to get as much as they wish not only strips a sense of bodily autonomy but can promote unhealthy eating habits by not listening to the amount of food your body needs in the moment. Additionally, it is not always right to assume that a larger amount of food in a to-go box means that it will be stretched across multiple meals.

NOW THEREFORE, LET IT BE RESOLVED BY THE STUDENT ASSOCIATION SENATE OF THE UNIVERSITY OF SCIENCE AND ARTS OF OKLAHOMA THAT:

SECTION 1: The Student Government Association will urge the university to remove the current regulations/policy on to-go meals in the cafeteria.

SECTION 2: When a student requests a to-go box, a Sodexo worker will let them know that they may receive a punch card for an additional meal if/when needed.

SECTION 3: Copies of this act shall be distributed to the following: All Current members of the USAO Government Association (SGA) Senate, all current members of the SGA Executive Council, all current members of the SGA Supreme Court, all current advisors of the SGA, Jennifer Warren, USAO Sodexo, and President Hale.
